

Certified Resale Home — Home Warranty

Provided by
First Canadian Title Company Ltd.

Subject to the exclusions and limitations set out hereunder and under Your Home Inspection, Your Certified Resale Home includes a warranty to repair or replace one or more of the Covered Items below, up to an aggregate maximum of \$20,000, if the defect or malfunction occurs during the coverage period or was not identified and excluded by the Home Inspector as part of the Inspection. A claim under this warranty on Certain Covered Items may be subject to a \$500 contribution on Your part, as further described in Section 4 (Other Conditions and Stipulations) below.

AGGREGATE MAXIMUM COVERAGE AMOUNT OF \$20,000 AVAILABLE FOR ALL COVERED ITEMS

Covered Items 1 through 4 are within the overall aggregate maximum coverage amount and you may make multiple claims on these Items provided the total sum paid under this warranty for its duration does not exceed \$20,000. Covered items 1 through 4 have no individual cap.

Covered Items 5 through 6 are also within the overall aggregate maximum coverage amount but have their own claim caps under this warranty. Item 5 (Swimming Pool Equipment) coverage is limited to \$1,500 and Item 6 (Septic Tank System) coverage is limited to \$1,000, regardless of whether there is still aggregate maximum coverage available.

Example 1: if a \$20,000 claim is made for one Item from 1 through 4 then You have reached the cap and cannot make a claim for any other Covered Items. If however You claim the maximum available for Covered Items 5 and 6 then \$17,500 would still be available under the warranty to make a claim for Covered Items 1 through 4.

Example 2: if you claim \$8,500 for a roof repair and \$1,000 for swimming pool equipment repair, You would have \$10,500 still available, although You would only have \$500 for any further claim related to the swimming pool equipment because that is subject to its own claim cap (set out above).

Example 3: if a claim for \$3,000 is made for the Swimming Pool Equipment (Item 5) then only \$1,500 would be payable and no further claims for Item 5 could be made under this warranty. \$18,500 would still be available under this warranty for claims on the remaining Covered Items.

4 Other Conditions and Stipulations

- ▶ Any claim made by You for repairs or replacement related to the heating or cooling system, the swimming pool equipment or septic tank system may be subject to a \$500 contribution on Your part. The intent is to ensure that the Company is covering a significant repair or replacement. In other words, You will be responsible for repairs or replacement of these items if the total cost at any one time is \$500 or less. For example, if the furnace breaks down and the ignition switch needs replacing at a total cost of \$350 (inclusive of parts, labour and tax), then that would be Your responsibility not that of the Company. But if the cost came to \$750 then the Company would be responsible for the full amount.

- ▶ You are only covered for the Items noted on your Home Inspection Report.

5 Timing and Duration of Warranty

Your warranty begins on the day after the Certified Resale Home report is issued and remains in force for eighteen (18) months.

6 How to Make a Claim

- ▶ You must notify the Company promptly of any claim and before any repairs or replacement. Please call **1.866.515.5516** or visit **www.FCT.ca** to request claim forms.
- ▶ You must obtain at least two (2) quotes for the costs of repair and/or replacement of the Item. The quotes shall include a recommendation as to whether repair or replacement is preferable in the circumstances. The Company will pick between the quotes.
- ▶ Approved claims will be paid by the Company to the contractor who completes the repair or replacement, and will be limited to reasonable and customary charges for the repair or replacement.
- ▶ You will be required to pay the contribution (if applicable) and any costs that exceed the aggregate maximum coverage amount, if applicable, as set out above.
- ▶ Based on the nature of the claim, the Company may require a claims investigator to assess the Item related to the claim at Your Home.
- ▶ The repair or replacement must be completed within sixty (60) days of the Company's approval to make the repair and/or replacement.
- ▶ No payment shall be made by the Company without producing this warranty, proof of possession of the Home, the Inspection, and proof that the repair or replacement has been completed.

8 Determination, Extent of, and Limitation of Liability

- ▶ This warranty is the entire warranty and contract between the Company and You. In interpreting any provision hereunder, this warranty will be construed as a whole.
- ▶ Any claim of loss or damage by You, whether or not based in negligence, and which arises out of Your Certified Home Inspection shall be restricted to this warranty.
- ▶ The liability of the Company shall not exceed the amounts applicable to each Covered Item or the aggregate maximum coverage amount set out on the first page of this warranty.

If the Company determines that You are on a prohibited list or are connected to a sanctioned country, entity or individual, or a prohibited activity as designated by the relevant OFAC and OSFI directives, the Company may be required to stop payment of any funds to You, or cancel this warranty coverage.
- ▶ Any payments made by the Company under this warranty shall reduce the aggregate maximum coverage amount of the warranty accordingly.

9 Entire Agreement

These Terms and Conditions, as amended from time to time (the "Agreement"), shall constitute the entire agreement between the parties with respect to the subject matter of this Agreement and cancels and supersedes any other understandings and agreements between the parties with respect to such subject matter, whether written or oral, and whether made prior to or during the term of the Agreement.

There are no representations, warranties, terms, conditions, undertakings or collateral agreements, express, implied or statutory, between the parties other than as expressly set out in this Agreement.

10 Waivers

No waiver of any right or obligation or any remedy for breach of any provision of these Terms and Conditions will be effective or binding unless made in writing and signed by the party purporting to give the same and, unless otherwise provided, will be limited to the specific right, obligation or breach waived. The failure of any party at any time to require performance by the other party of any provision of the Terms and Conditions will not affect in any way the full right to require such performance at any subsequent time; nor will a waiver by any party of a breach of any provision of the Terms and Conditions be taken or held to be a waiver of the provision itself.
