In order for a home to qualify for a Home Protection Plan warranty, the home inspection must be no more than three (3) months old, performed by an FCT Approved Inspector (criteria includes, but is not limited to the appropriate qualifications, certifications and/or standards determined by FCT, in its sole discretion) and the home inspection report must be provided in its entirety. Only the items inspected may qualify for warranty coverage. FCT reserves the right, in its sole discretion, to determine whether certain items are included/excluded as part of the warranty offering. Please refer to terms and conditions located at www.fcthome.ca/resources for further details.
